

Shine a spotlight on *wellness*.

Who we are

ShineRx is a premier pharmacy facilitator connecting MedSpas, telehealth clinics, and wellness providers with trusted, licensed compounding pharmacies. We specialize in delivering access to high-demand compounded treatments like GLP-1s and wellness injections — with speed, reliability, and compliance at the forefront.

Whether you're scaling a multi-location clinic or launching a telehealth brand, ShineRx makes it easy to source compliant, high-quality medications and stay competitive in a rapidly evolving market.

Why ShineRx?

✦ **Live Support, 7 Days a Week**

Speak with a knowledgeable agent anytime you need assistance — no bots, no wait times.

✦ **Streamlined Online Portal Access**

Our user-friendly ordering portal simplifies your workflow from order to delivery.

✦ **Licensed in All 50 States**

Nationwide availability to support your operations wherever you grow.

✦ **Access to 503A & 503B Pharmacies**

Flexible sourcing based on your patient volume and regulatory requirements.

✦ **2-5 Business Day Processing + Shipping**

Reduce downtime and ensure your patients stay on track with rapid fulfillment.

✦ **Competitive Pricing Across All Products**

Transparent and consistent pricing so you can operate profitably and confidently.

✦ **Pure Product Still Available**

ShineRx continues to offer access to high-quality compounded GLP-1s, even amid tightening supply. Our suppliers anticipated the changes in FDA rulings and pre-manufactured six-month beyond-use-date (BUD) medications, ensuring continued availability. ShineRx secured this inventory in bulk so you can continue supplying the weight loss treatments your patients know and trust.

✦ **Third-Party Tested for Quality**

Every batch undergoes independent lab testing for purity, potency, and compliance.
